Bees are small but mighty. Considered some of nature's hardest workers, they not only produce heavenly sweet honey, they also spend their days helping your fave plants thrive through pollination. So whether you're looking for a tattoo to symbolize your inner power, your love of nature, or your unshakeable drive, this delicate design will do the trick.

We are working on your ink! Here's some information in the meanwhile ❤️

Processing Time

Please give us 1-3 business days to process your order.

For Custom Tattoos, it usually takes 2-4 business days for our team to create and finalize your custom tattoo before it is shipped to you.

Sometimes, we need to work with you to adjust your designs via email so that your tattoo looks its best! In these cases, it may take more than 2-4 business days for us to ship your tattoo.

Please note that our delivery options refer only to the delivery time frame and not to the time required to process your order.

Order Status

Once your order has processed, you will receive a shipment confirmation email with your tracking number. Please give the tracking about 24 hours to become live.

Shipping

Delivery times vary depending on your shipping address and the shipping method you selected. There are currently delays with shipping in Canada and International locations

International orders may incur import taxes or duties, they are the responsibility of the customer and inkbox™ does not cover these fees.

Please visit our [shipping page](#) for more information.

Order confirmation by mail 4/4

Contact Us
